

- Amazon Locker -

Kilometro Rosso has signed an agreement with Amazon Italy to offer all Resident Partners Amazon Locker service.

Company	Amazon Italy
Benefits:	Amazon Locker is a self-service pick-up and drop-off point for all purchases made on Amazon. The locker is accessible 24/7 at the central reception of Kilometro Rosso.
How It Works:	<p>During the purchase process on the Amazon portal, you must select Amazon Locker “Brunilde” as the pick-up point, using the postal code 24126.</p> <p>The order is then delivered to the “Brunilde” Locker, located at the central reception of Kilometro Rosso, at the entrance of the Centro Delle Professioni, GATE 4.</p> <p>When the courier deposits the package in the Locker, you will receive an email notification with instructions and a unique code for retrieval. To collect your package, follow the on-screen instructions at the Locker and either scan or manually enter the unique code received from Amazon.</p> <p>All packages delivered to Amazon Lockers must be picked up within 3 calendar days. If the order is not collected within this period, the package will be returned to Amazon.</p>
